

## Photographic and Images Consent Policy

Retford & District Lifesaving Club recognises the need to ensure the welfare and safety of all our members, especially young people, in lifesaving.

In accordance with the RLSS UK child/ vulnerable adults protection policy and procedures, we will not permit photographs, video or other images of children/young people or any member to be taken without their consent or the consent of the parents/carers and children/ young people.

The Club will take all possible steps to ensure these images are used solely for their intended purposes. If you become aware that these images are being used inappropriately, you should inform the Club safeguarding lead immediately.

Appropriate consent will be obtained through the completion of our membership form and stored in accordance with our privacy policy and GDPR policies.
